Poplar Bluff Stock Farm

Welcome to the 2024 Poplar Bluff Stock Farm bull sale!

We would like to welcome Bronyx Angus back and are excited to have Hopewell Charolais join us for our 8th Annual Sale.

Each year, I try to come up with another way to say how much we appreciate the wonderful people that we have met over the years. We could not do what we do without the support from everyone who joins us, whether virtually or in person.

We take the responsibility to breed bulls that will go out and work, while still being easy to

handle, very seriously. We are 100% committed to the Charolais breed and have been steadfast in this for 45 years. As such, we are incredibly critical when we are evaluating our own replacements and any new genetics that we bring in.

Even with the challenging pasture and feed conditions experienced in 2023, we ran the bulls in a similar fashion to other years. The boys were out on the pastures around the yard until that grass gave out and then we supplemented with free choice hay. They did not come in onto feed until November, when we started on a bit of grain and silage. Even now that they're on feed, they still have a smaller pasture to roam in, rather than simply being locked in the corral. We feel very strongly that allowing them room to exercise goes a long way to ensure their longevity and athleticism.

The bull pen is open for visitors, if you'd like to come for a tour prior to sale day, just give us a call.

This year's sale will be held via video, so if you're able, please join us early and take a walk through the bulls then have a bite to eat before the sale. If you cannot join us in person, the sale will be broadcast on DLMS and we have several friendly characters who would be happy to take bids by phone.

We look forward to hosting you on Tuesday, March 19, 2024 right here at the farm!

EIGHTH ANNUAL POPLAR BLUFF & GUESTS BRONYX ANGUS & HOPEWELL CHAROLAIS BULL SALE

SALE DATE & TIME:

Tuesday, March 19, 2024

@ 2:00 PM

Lunch will be served, starting at 12:30 PM

SALE LOCATION:

Fusogard to protect from foot rot***

SALE DAY INFORMATION

Delivery

Any bulls picked up prior to April 1 will be eligible for a \$100 rebate.

If you aren't set up to take your bull and would like him delivered closer to breeding season, we'd prefer if you put insurance on before he goes back to the farm. We take every care with the bulls, but moving them around can reset the pecking order.

Buyers must take delivery of their bulls by May 1, 2024.

Free delivery of bulls is available to central points and in most cases, right to your farm or ranch. Contact information for insurance will be available sale day.

ONLINE BIDDING: via dlms.ca

Can't make it to the sale? Watch & Bid Online.
With DLMS you can Watch, Listen & Bid on your computer just like you were there with online bidding over the internet.

Game Day is becoming a legend in our eyes. He consistently sires calves with the attributes that we so admire in him - excellent feet, length of body, eye appeal and docile dispositions with great haircoats. His sons top the bull sales and the daughters are the sort of young cows that will become cornerstone females. He sires progeny that will excel in either purebred or commercial herds.

We selected Gallagher in 2020, knowing that we needed a bull to bring a little more size to our offering. Visitors to the herd bull pen admire his extreme length of body and amazing foot structure. His sons have been very well accepted and the daughters are excellent milking, perfect footed young cows.

Hopewell Charolais

Box 486, Kerrobert, SK S0L 1R0

Kody's Cell: 306-834-7557

Email: hopewellcharolais@gmail.com

We are beyond excited to be joining the Poplar Bluff Stock Farms Annual bull sale. We would like to thank John, Kirsten and the rest of the Taylor family for giving us this opportunity.

These are very exciting times for the Charolais industry as we continue to see record prices coming through those auction marts. We feel confident that the bulls on offer will go out, breed your cows, calve easy, and bring you that Charolais premium in the sale barn. Our bull pen comes from a diverse choosing of herd sires that we have the utmost confidence in progressing our customers programs.

Hopewell Charolais set a goal many years ago, that we would produce honest and hard-working cattle. We really feel that this year's bull pen is a representation of that. As fellow commercial breeders ourselves, we utilize our bulls in our commercial program. Our bulls have to work for us, so we know they will work for you!

We would like to thank our many repeat buyers from prior years of private treaty and look forward to a new chapter in supplying bulls to our customer base.

Like always, the coffee is on, and the bulls are available for viewing. Please feel free to contact Kody at any time.

We are excited to see you all sale day!

Kody and Alexandra Meier

As a true San Francisco 49ers fan, if this bull would have been registered after the Superbowl he'd probably have a different name.

Heavy ribbed

Wide top

Loads of hair

Eye appeal

Natural muscle shape

Structurally correct

Large scrotal

There aren't many boxes that this bull doesn't check. Mahome's is one of the most impressive bulls we have ever raised. His dam has become a highly productive Authority daughter with a picture-perfect udder. The mating of Fan Favourite and Authority is the perfect combination of calving ease and performance.

We plan on using Mahomes in our AI program this coming spring.

Hopewell Hardgrass is a powerhouse red factor bull with a top of the pen weaning weight. He is truly a standout with his dark red hide and his proud front end, you can't help but look. His dam has proven to be one of longevity as she has produced the top of the pen nearly every year. A long-made herd bull, that will be sure to add pounds to your calves without sacrificing calving ease.

	1.0	66	114	28	61

At the top of our pen, this bull has a herd sire look! His tight head, long neck and smooth shoulder are ideal for calving ease in addition to his length of spine and wide top. Out of one of our most powerful cows in the program, Bosa encapsulates what we envisioned when we decided to breed 116C to the infamous LT Patriot.

Full brother, Hopewell Gibson, is siring an impressive set of calves for Connor & McKenzie Willis at Farside Charolais.

Don't miss out on the opportunity to see this impressive individual.

True Grit comes with length, smoothness and an overall softness to his make. We wish we had more Authority sons to offer, as LT Authority has proved to be extremely marketable with his calving ease and performance. We are confident that this bull has what it takes to add those premium pounds without sacrificing the calving ease.

LOT 36

Another Authority son here at Hopewell, we love this bull for his exceptional length and impressive weaning weight, backed by a dam who cranks it out every year! Not only is this bull appealing to the eye, he moves out extremely well and will be sure to cover some cows.

Email: brycemawbey@hotmail.com

Hello & Welcome to the 8th Annual Poplar Bluff Stock Farm & Guests Bull Sale. We are extremely excited for the opportunity to offer up this strong set of coming 2 year old bulls. For those who don't know us, our cattle operation consists of roughly 300 commercial & 60 purebred cows. In 2005 we started purchasing top proven females from production & dispersal sales of CRESCENT CREEK ANGUS, DOUBLE AA ANGUS, SASKALTA FARMS, LOOKOUT STOCK FARM, GLEN ISLAY ANGUS and REMINGTON LAND & CATTLE. We have worked hard at building the herd to where it is at today. With myself working off the farm during calving, Dad is left by himself for good stretches. He is a very selective cattleman and we expect a lot from our cows - no babysitting and no excuses or they do not stay. We have a checklist that a cow needs to meet in order to stick around. The dams that are pictured in the

sale catalog will give you a good idea of the type of cow we like - cows that are consistent producing at the top end of the whole herd - maximizing return with no or very little help during calving.

The bulls on offer are good honest ranch bulls that have been developed with longevity in mind. We feel these beef bulls are the type of cattle that will satisfy the needs of the cow-calf producer, feedlot & packer, while also siring top end uniform replacement heifers. The bulls are currently on a daily TMR ration that consists of oat greenfeed, hay & straw with a 16% beef pellet @ 2.8 lbs per day. The bulls were on greenfeed from the end of October until the middle of January.

If you have any questions or requests, we are more than happy to help. We stand behind our cattle which are raised to work & we look forward to working with you on sale day & in the future. Please don't hesitate to come see the cattle at the farm prior to the sale.

Sincerely,

Owen & Bryce Mawbey

Bronyx Angus

Note: The weaning weights of the bulls were taken on November 10, 2022

We reserve the right to collect in herd use semen on the bulls sold, at the buyers convenience and our expense.

A Special Mating Here! 70K is a ET son sired by Bardolene Of Old Post 5 who wrote history in the show ring & test stations. His sons won every bull test they were put in both in Canada & the USA. Old Post weighed 1700 lbs as a two year old in 1973. 70K's dam Double AA Annie K 812'09 needs no introduction. Her sons 18B & 44E are both excellent breeding bulls that we used.

MATERNAL GRANDAM

LOT 58

Terms & Conditions

TERMS:

The terms of the sale are cash or cheque payable at par at the sale unless satisfactory credit arrangements have been made previous to the sale. All settlements must be made with the clerk of the sale before any cattle will be released. The Auctioneer shall have the right to refuse bids from anyone who has a previous record of default in payment or who has not made credit clearance prior to the sale with the owner. All monies are in Canadian funds. The right of property shall not pass until after settlement is made.

DISPUTES:

In case of disputes, bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters is final.

PURCHASER'S RISK:

Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable time.

ANNOUNCEMENTS:

Errors discovered in the catalogue will be corrected by announcements from the auction stand at sale time and such corrections will take precedence over the printed matter in the catalogue. Buyers are cautioned to pay close attention to announcements.

CERTIFICATE OF REGISTRY:

Registered animals will carry papers issued by the Canadian Charolais Association or the Canadian Angus Association. A certificate of registry duly transferred will be furnished to the buyers of each animal after settlement has been made.

GUARANTEE:

All animals will carry standard breeding guarantee as specified by the Canadian Charolais Association or the Canadian Angus Association. At no time shall the seller's liability exceed the purchase price of the animal. The seller is not responsible for damage caused by foreign bodies after the animal has been sold nor for sickness not apparent at sale time.

EXCEPTION TO GUARANTEE:

In cases where the animal has been subjected to any hormonal or surgical reproductive techniques after the sale, this guarantee shall be null and void.

ACCIDENTS:

Although every precaution will be taken to protect the safety and comfort of buyers, neither the Owners, Auctioneer, nor Sales Staff assume any responsibility in this matter and disclaims any liability legal or otherwise in the event of accident or loss of property.

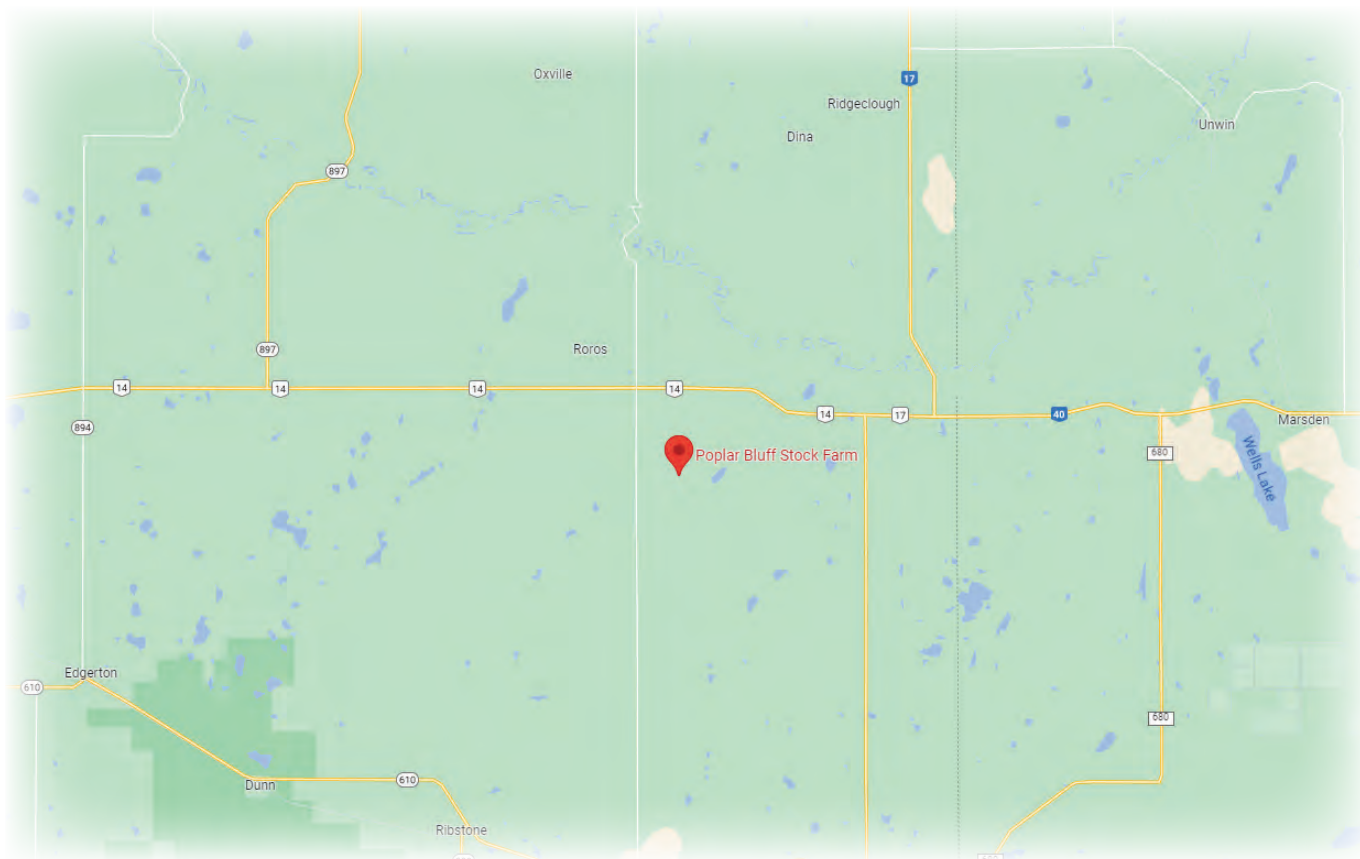

RIGHTS & OBLIGATIONS:

The above terms and conditions of the sale shall constitute a contract between the buyer and the seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction, which is not covered by the terms and conditions of this sale.
