SPRINGSIDE

Cattle Co.

EST. 1983

It is with great pleasure that we welcome you to our annual bull sale, where we have a bull for every budget! We are thrilled to offer you some of the finest bulls in the industry, bred with the utmost care and attention to detail. Our commitment to excellence is reflected in every aspect of our breeding program, from the selection of the best genetics to the careful management of our herd. We take pride in producing top-quality bulls that will meet the needs of any operation, whether you are a commercial or purebred producer.

Nobody can argue that Char-cross calves have been topping the market for several years in a row, and in this volatile economy, you don't want to be taking any chances. Putting your money on a sure thing only makes sense, so buying a Charolais bull is a no-brainer. It fills me with a great sense of pride and joy come fall when, time after time, our customers and fellow cattlemen are topping the market with their SOS-stamped calves.

This year's catalogue features an impressive range of bulls that have been carefully chosen for their superior genetics, remarkable performance, and outstanding conformation. We have focused on producing animals that are hardy, easy to handle, and well-suited to a variety of environments. We understand that choosing the right bull is a critical decision for any operation, and we are here to help you every step of the way. We will be offering a wide array of yearling bulls in addition to a great assortment of two-year-olds for those looking for a more mature option. We have built our reputation on producing quality breeding stock and this year will be no exception.

Last year we included a selection of commercial Simmental heifers and this was very well received. So back by popular demand, KG Land and Cattle will be offering another spectacu-

lar group of 25 commercial Simmental heifers. This year many people have expressed an interest in the option to purchase purebred females. We are excited to be including an exclusive set of 14 registered Charolais replacement heifers to choose from. These females are bred with fertility in mind and will be ready to breed with your chosen genetics in just a few short months. You'll have a calf on the ground this time next year, so no need to wait for a return on your investment!

We would like to take this moment to extend our **UTMOST GRATITUDE** to our team of skilled individuals. From our colleagues working with the cattle throughout the year, to our fantastic business partners, and all the sales staff and everyone in between; we truly cannot express how much you all mean to us. We could not do this year after year without everyone's help. Our team is always available to answer your questions, provide additional information, and offer guidance as needed. We invite you to take a close look at our catalogue and discover the exceptional bulls and females that we have to offer. If you would like to come and see the bulls or heifers this can be easily arranged with Mike or Kale; we'd love to have you out to the ranch in the coming weeks prior to the sale. Please join us on Thursday February 15th from 4pm-8pm for Bulls, Beers, and Burgers; where you can have a bite, unwind and socialize, and take a look at some exceptional breeding bulls in the comfort of the Stettler Agriplex. With over 70 bulls and 40 females on offer, we are confident that you will find the perfect match for your program, and we look forward to working with you to achieve your breeding goals.

Thank you for considering our bulls and for your continued support of our program, we look forward to seeing you at the sale.

Best regards,
Mike Panasiuk

Mike Panasiuk & Mike Craig

Kale Gist & Grace Sorensen

Welcome to the “Bulls for Every Budget” Bull and Female Sale presented by Springside Charolais on Friday February 16, 2024, at the Stettler Agri-plex, Stettler, Alberta. In past decades, Mike Panasiuk has proven his leadership in breeding, marketing and being powerful in competition. His Charolais knowledge (coupled with learning common sense from his many repeat customers) is reflected in the bulls Springside offers for 2024.

What a powerful and outstanding lineup of genetic power to select from! The diversity in genetics and the diversity of phenotype offers “Bulls for every budget.” You will be amazed with the muscle, capacity, and hair...bulls with bred in power yet calving friendly. Farmers and ranchers, you will enjoy going through this group of bulls to select your value-added sires for the '24 breeding season. Purebred breeders... plan to explore and discover new genetics for your program and that of your customer's bottom line. In the offering you will find heifer qualified bulls, power bulls to increase your pounds at weaning and for the first time Full French genetics. The two-year-old section is made up of mostly April born bulls. These twos will cover more cows and more diverse terrain.

The purebred heifers offer start-up opportunities for breeders of any age. Paternal sisters to the bulls selling, they come with lots of hair, shape and style and will be ready for breeding in the upcoming months. The Commercial heifers are outstanding in type, kind, and uniformity and ready for a Charolais bull. Friday February 16th will be a special day for the Charolais breed and the livestock industry. We all know the excitement and profit that the breed has created throughout North America... so mark the date in your day timer. Feel free to preview the sale offering anytime prior to the sale or just give Mike a call to discuss the sale cattle ... he loves visiting cattle.

Plan to be with us in person, on the phone or online. Do not hesitate to give any of us at T Bar a call as we can assist you with your purchases in a professional and confidential manner.

VIDEOS

Will be available approximately Feb 1, 2023

SIGHT UNSEEN PURCHASE PROGRAM:

Let us know what type of bull you are looking for, as well as a price range and we will do our best to purchase a bull on your behalf. If we cannot buy what you specify, we will not fill your order.

TAKE HOME CREDIT:

- Take your bull(s) home sale day and we will deduct \$250 off the purchase price per bull OR give you a \$400 sales credit to the 2025 sale

- Bull(s) picked up the week after the sale will receive a \$400 sales voucher to the 2025 sale.

KEEP AND FEED PROGRAM:

- All bulls will be delivered by April 1, 2023 unless prior arrangements are made

- All two year old and mature bulls will be delivered by March 1

- Insurance is highly encouraged for bulls returning to the ranch

DELIVERY:

- Free delivery to central points in Western Canada

- Springside will arrange trucking to Eastern Canada and share in trucking costs

- US buyers take advantage of the weak Canadian Dollar. For cattle destined for USA or Mexico, \$400 will be added to the purchase price to cover testing and border crossing fees.

 WGD THE CRUSH 14D | TMJF U-CALLED 198U

Revolver 366L is as bulletproof as they come. This homo polled beast is a maternal brother to the highly regarded Apex, and a maternal sibling to the \$67,500 SOS Beryle 811K who recently sold to Circle Cee Charolais and Sherwood Farms last December. His incredible length and extreme thickness attribute to his outstanding weaning weight and ability to gain. A standout since birth and a bull that deserves to be Lot 1. His dam at 10 years of age looks like a million bucks and she hits it out of the park every time, no matter what way she is mated. We feel that Ruger is a true ranch bull and Revolver will be no different.

- Selling 3/4 interest and full possession**

CALVING EASE

If it's your first time buying Charolais bulls or calving ease is your number one priority, then Mike's top 10 is for you. I've analyzed every bull from a CALVING EASE ONLY PERSPECTIVE and picked out 10 that I am confident will work for you. I've not only looked at their birth weights but taken into account their sires and dams' individual history and made sure that the front shoulder is laid in flat and that they have a smaller than average head. Let's face it, some cows just have smaller than average calves at birth and they forward that trait to their sons. I know the cows and the families that can be consistently counted on to deliver. This is not a ranking of the best 10 bulls in the sale, but rather a selection of 10 that will deliver from a calving ease perspective. Check out the calving ease scores; 1 star is for mature cows only, 2 stars is for cows or mature heifers, and 3 stars is heifer approved

It's extremely gratifying when genetics click like they do in this set of bulls! Princess Kate is our biggest money maker and has easily generated over half a million dollars in revenue.

The Bourbon bull calves represent our largest sire group in this offering. Right from day 1 we knew these flush mates were something special and when you see them on February 16th, I'm sure you will agree.

- Ample performance for a mid May born bull.

Heifer CALVES

Over the last little while we've had quite a bit of interest in selling some heifer calves. With a larger than average heifer calf crop, we've decided to add some registered females to the bull sale. These females represent some of our best genetics and will be ready to breed to the bull of your choice in just a few short months. It won't take long to realize the return on your investment with any one of these heifers.

THE HERD BULLS AND MOTHER COWS BEHIND
KG LAND AND CATTLE CO.

I'm blown away by the support and interest in the heifers. I would like to thank Mike and Mike of Springside Cattle, for this opportunity. We are excited to be back this year with 25 head, split into 7 groups. Coming from a cow base of mostly Simmental cows bred to Fleckvieh Bulls. We dug even deeper into the pen this year. I truly believe in these heifers from end to end. These heifers will go work hard in any operation, put them into your recip pen or turn the bull in and build your herd. The heifers are all halter broke again this year. The heifers once again will be on full herd health, Bovishield Gold program and 7 Way. They will also be palpated before sale day. Don't hesitate to call with any questions or please feel free to come take a look at them on the farm, anytime. - **Kale Gist** 1-403-741-7166

STETTLER AUCTION MART
IN CONJUNCTION WITH **SPRINGSIDE**
Cattle Co.

SAM

STRONGEST CHAROLAIS MARKET
IN WESTERN CANADA

Our goal is to ensure that you sell top dollar calves maximizing our quality bull power

TF Cattle Co – Nanaimo, BC
Peter Peters – Souris, PEI
Wiese Ag Enterprises – Westlock, AB

Nya and Charlene Fisher – Airdrie, AB
Border Ridge Charolais – Hilda, AB

Terms: The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

Bidding: Each animal will sell to the highest bidder... no by-bidding will be permitted. Disputes - Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

Announcements: All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

Breeder's Guarantee: Should any bull fourteen (14) months of age or over fail to prove a breeder after being used on females known to be breeders, the matter shall be reported in writing to the seller within six (6) months following the date of purchase or six (6) months after the bull has reached fourteen (14) months of age. The seller will have the right and privilege of six (6) months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

Exception Guarantee: In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

Certificate of Registration: Each animal will carry papers issued by the Canadian Charolais Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

Phone, Mail, Wire Bids: Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

Delivery: We will assist in arranging transportation wherever possible. Each animal becomes the risk of the purchaser as soon as sold.

Insurance: Will be available sale day. We strongly recommend that insurance is purchased for full value.

Liabilities: All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

Rights and Obligations: The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

Errors: All announcements at sale time, written or oral, supercede any written material in the catalogue.
