THE SALE CREW

FROM THE DESK AT *T Bar C*

Welcome to the Stoney Creek Simmentals Bull and Female Sale on March 28, 2025, at the farm, Kendal, Saskatchewan. The Sebastian family presents their spring lineup of Simmental bulls to add power and pounds at weaning, alongside their neighbor, Bryan Knoll, who adds five Maine Anjou sons from his Red Fox Maines operation.

As you tour this lineup of Simmentals, you will find a very strong and uniform offering of red and black yearlings and twos. Bulls with muscle, testicle, hair and style. The sons by Crossroad Vista offer completeness in weaning and yearling performance, with plenty of body length. The Konecnys are the calving ease section of the sale... black with almost all being blaze-faced or Baldy. The twos have plenty of pounds and will be suitable for more cows and stoney pastures.

Bryan's Maines are all yearlings, both Full Blood and Domestic. They are uniform in type and color. These long-sided prospects will add pounds at weaning and can cross with any breed or color.

The four pens of Sim/Angus heifers will be a feature as we need to rebuild the North American cow herd, which will take a long while. Feel free to stop by the farm any time prior to the sale and preview the lineup, or give Darren or Dylan a call to discuss the bulls that will fit your breeding requirements.

If we may be of any assistance prior to or on sale day, do not hesitate to call any of our team. We will be pleased to assist in a professional and confidential manner.

Long sided calf with a ton of hair. Will follow his sires footsteps and become a nice herd sire for any program. Out of a young female from the Stenbergs dispersal that is going to be a great momma cow.

Young polled bull calf with good testicle development. I really like this young calf and considered keeping him for a clean up bull. Could be the deal of the sale.

Terms & conditions

TERMS:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

CERTIFICATE OF REGISTRATION:

Each animal will carry papers issued by the Canadian Simmental Association or Canadian Maine-Anjou Association, unless otherwise specified. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

PEDIGREE ESTIMATES:

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

HEALTH:

All animals in the sale have met all necessary health requirements.

GUARANTEE:

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Angus Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

INSURANCE:

Agents will be in attendance to insure your purchases. We strongly recommend that insurance is purchased for full value.

LIABILITIES:

All persons attend the sale at their own risk. The sellers, facility owner, auctioneer and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either part to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

DELIVERY:

Every assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

PHONE, MAIL, WIRE BIDS:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

ERRORS:

All announcements at sale time, written or oral, supersede any written material in the catalogue.
