2025

Sunville Simmentals
McCreary, MB 1:00 PM

WELCOME

Welcome to our 9th annual bull and female sale here at the farm. What a time to be a cattle rancher. We hope the prices stay for a while longer for everyone. It is nice to finally see some profit from the cattle.

We are excited with the offering we have this year. There are sons out of Hierarchy, Hustler, Tycoon and R Plus 1090J. They have left us with some very impressive calves. We continue to offer Full Bloods, Full Flecks and Reds and you won't be disappointed with the selection. There is something for everyone.

Again, we will be offering 14 open heifers with some great pedigrees ready to be bred any way you want.

Keep an eye out for the 2026 sale, as we will be offering black bulls and we can't wait!! Stay tuned!

We would like to thank all past buyers and bidders and always look forward to seeing you again as well as meeting new customers. Thank you to the T Bar C management team and their great staff.

We will once again be using DLMS which will allow those who are unable to attend to register and bid/buy online, but can always reach out to us by phone or one of the sales team members.

Join us early for lunch at 11:30 prior to the sale time, which will start at 1:00 PM.

Sunville Simmentals is located 9 miles east of McCreary on Hwy #50 or 13 miles west of Alonsa on Hwy #50 on the south side. We can also be found on Google Maps under Sunville Simmentals.

Feel free to give us a call or stop in anytime. We look forward to seeing you on sale day!

FROM THE DESK AT T BAR C

Welcome to the 2025 edition of Sunville Simmentals Bull and Female Sale on March 21st at the farm, McCreary, Manitoba. Your hosts, the Caumartin Family present a powerful lineup of bulls and broody females as they celebrate their 9th annual event. Their offering is strong in all divisions ...Full blood, Full Fleck and solid Red Domestic.

The Full Blood section will be highlighted by the progeny of Hierarchy... beef bulls that will add pay weight into your calf crop. Thick, hairy, with lots of muscle and middle... the easy feeding kind. In the group there are several leaders that require extra attention.

The Red Domestics are headlined by the sons of R Plus 1090J. You will love their style and eye appeal, but more importantly, the uniformity of the sire group. Like their pen mates in the Full Blood lineup, they are packed full of muscle and middle with plenty of hair, testicle, and great disposition. Check out the pen for your next money-maker.

The heifers are fancy yet broody, both Full Bloods and Domestics. Heifers that will be valuable property in the exciting year ahead and are paternal sisters to the bulls selling. They are full of maternal traits, perfect requirements to become bull producers in your front pasture.

Feel free to stop by the farm any time prior to the sale and preview the offering or just give Duane a call to discuss the bulls that will fit your program.

If we, at T Bar C may be of any assistance prior to or sale day, do not hesitate to call any of our team and we will be pleased to assist in a professional and confidential manner.

HERD BULL TIME! Well where do we start on this calf. Hierarchy has done it again. 53M is a bull that checks all the boxes. Good hair, big top, with loads of rib. He is mothered by an Agreement Dam that can sure crank out the good ones. If you're looking for a dark cherry red fullblood to make some great females, have a look at SVS 53M.

HERD BULL TIME! Sunville Tycoon is a very impressive individual. He is long bodied, deep sided, thick made, and about as dark red and hairy as you can make one. He was a real stand out all summer long and was one of our heaviest bulls at weaning. He is out of a really nice uddered Walker female. His mother has cranked out a few bulls to purebred herds already, and we have retained every female she has had. If you check out Lot 35's Dam is her daughter.

R Plus 1090J has cranked out another herd bull prospect. If you are looking for a high performance red bull, with tons of hair and shape, 96M needs to be on your list. 96M's dam comes from one of the great dams that cranks out herd bulls and heifers in the replacement pen. With 96M weaning in at over 900lbs, you don't want to overlook this good red herd bull prospect.

TERMS & CONDITIONS

TERMS: The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

BIDDING: Each animal will sell to the highest bidder. In the case of a dispute, bidding will be reopened between the parties involved in the dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

ANNOUNCEMENTS: All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

BREEDER'S GUARANTEE: Should any bull fourteen (14) months of age or over fail to prove a breeder after being used on females known to be breeders, the matter shall be reported in writing to the seller within six (6) months following the date of purchase or six (6) months after the bull has reached fourteen (14) months of age. The seller will have the right and privilege of six (6) months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

EXCEPTION GUARANTEE: In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

CERTIFICATE OF REGISTRATION: Each animal will carry papers issued by the Canadian Charolais, Angus, Simmental, and Gelbvieh Associations. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

PEDIGREE ESTIMATES: Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

HEALTH: All animals in the sale have met all necessary health requirements.

LIABILITIES: All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co.(2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co.(2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made here under.

RIGHTS & OBLIGATIONS: The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.
