# WELCOME TO SUPERSTAR

## **SUPERSTAR CHAROLAIS SALE ... WHAT DREAMS ARE MADE OF... WILL TURN INTO REALITY!**

Welcome to the fourth edition of the Superstar Charolais Sale, Sunday Afternoon, December 17, 2023, at Saskatoon Livestock Sales on highway 14. In its inception, the idea was to showcase the best breeding tools under one roof. No doubt, the Charolais bull market (which has been strong for decades) is skyrocketing as Charolais influence stockers are the most sought-after in the marketplace. But any successful producer will tell you a bull is only as good as his mother... hence Superstar!

To say that this lineup of Charolais seedstock is outstanding is an understatement. The selection process has taken many days of travel and miles to select and amass this wonderful selection of the best Charolais in the nation. The group of consignors are progressive, dedicated breeders, and all have large customer bases for all the bulls they can produce.

This showcase covers all bases... hand picked bred heifers with solid numbers, early A.I. services to the newest genetic sires... in most cases you are not far from a coupon. The 2023 models feature the fancy yet broody heifer calves... calves that have been campaigned throughout the fall show season. They will grow to be competitive yearlings and no doubt several will achieve donor status for the breed in years forward. The herd bull prospect is a 2023 model and was very successful in his show ring debut.

The frozen section of the offering, embryos, and semen was selected by the predictable individual quality. Designed for the future, the embryos and semen will assist you with your yearend tax planning.

Plan to be with us on December 17th, be it in person, online or on the phone. Feel free to contact any of the T Bar Team as we will be pleased to assist you with your selections and purchases in a confidential and professional manner.

We knew since day 1 this Starstruck bull calf would be special! Sired by the industry leading Outsider bull and out of the prestigious Starstruck cow family which makes it pretty tough to not like this bull's pedigree! Strikeout is a complete package with combining a soft look with tons of muscle and mass! He's so free moving and loaded with EPDs! This bull was already Senior champion bull calf, champion charolais bull calf in the King of the Ring and reserve champion charolais bull! Don't miss out on this standout with one of the best pedigrees in the industry! **Retaining 1/4 semen interest.** Consigned by Bar SK Cattle.

**HTA DELIGHT 9106G**

HTA BRAVIA 855U  
HTA BRIDGET 704T  
SHSH HIGH CLASS 43D  
HTA DELIGHT 401B

Delight is long bodied, free moving and out of a front pasture female. The Delight cow family represents the largest cow family in the HTA program and it speaks for itself going back over 30 years, with this female going back to the original Delight cow in just 5 generations. With a full sister in the replacement pen, we are offering you the opportunity to own this great female. Maternally stacked not only on the bottom side, but on the top side as well being out of HTA Astroid 603D. Astroid's dam produced in our herd until she was 15 years of age, producing herdsires that went to programs including R Lazy B Ranch in SD, Hunter Charolais, Reese Cattle Co and Dufayel Cattle Co. HTA Delight 268K is a female ready to go in any direction. Don't miss out on the opportunity to add her to your herd. **Exposed to Legacy's Hulk Hogan 50J from March 29 to April 17, C2 Houston 104H from April 17 to May 4, and HTA Bullseye 280K from May 4 to June 4. Observed bred to C2 Houston on April 25, preg checked favourable. Consigned by HTA Charolais.**

Sonja is the type that herdsires are made from. This elite female is deep bodied, good footed and has great potential. Sired by the Inspiration bull from Coyote Flats. A bull we purchased for his flawless foot structure and performance. The high selling bull in our 2023 Bull Sale was also sired by Inspiration. Unfortunately, there was only one calf crop out of him, which makes selling this good female extremely hard to do. Sonja is backed by maternal strength with her grand dam, 163Y, having had two herdsires go into the Soura-Horan program, one to Wendt & Murray and is the grand dam of HTA Game Changer 9131G purchased by Stepler Farms and who we have had much success within our own program. Paired with Bullseye – a homo polled, HTA Tundra 572C son we retained out of a Glitter cow – a maternal sister to the female we sold in Superstar last year to K-Cow Ranch in AB. Nothing but potential here. **Exposed to HTA Bullseye 280K from March 29 to June 1. Observed bred on May 7, preg checked favourable. Consigned by HTA Charolais.**

KAYR EQUITY 711E

KAY-R Miss Equity 208K is a female that is very hard to let go of. She is ideal in her look and build with a proven pedigree. 208K is extremely deep bodied and sided and carries a ton of natural capacity. She gets out and moves extremely well and sets down on an awesome foot. Sired by WCR Commissioner 593 and with KLR Blackjack 788B in her pedigree she is a great blend of maternal and power. She is bred to an exciting new bull we own with Thomas Ranch and Boyert-Core show cattle LT Badge 1538. A quick and easy return on your investment here a high quality phenotypic female with an impressive set of numbers bred to an exciting new herd sire not on the market. These are the type we normally never sell. **Bred to LT Badge 1538 on. Ultrasound preg checked safe for a mid-January calf. Consigned by Kay-R Charolais.**

TMJF BERYLE 447B

SOS 811K will stop you in your tracks! She is definitely one of the special features to sell this fall. Her dam is none other than 447B which makes her a maternal sister to Apex. With this female's profile, her promising udder, and strong genetics, one has to wonder what next year on the show road might look like! Mated to the 2022 Players Club Champion Cobain could be the icing on the cake. **AI bred to PCC Cobain 231K on April 1. Consigned by Springside Cattle Co.**

LAE TAMMY 2141Z

Here's an opportunity to add value to the bottom side of any pedigree! The LT Patriot females are infamous all across North America for their production of elite herd bulls. It is rare when one of this quality is offered for sale. Brandy is a smooth fronted, long sided, big ribbed Patriot daughter bred to make your money back with an exclusive service to RBM Keystone! We love this female for her foot size, mobility and udder quality. She was the pen mate to HBC 202K, the heifer Justin showed this summer at CCYA. Brandy is another LAE 4141B daughter that seems to have a feature lot calf every year. 4141B is a great hipped, balanced big barrelled cow with a perfect udder who grabs the attention of anybody who sorts through the herd! Brandy's exclusive mating to RBM Keystone is exciting! This has the chance to make a big return on your investment. Brandy is bound for the donor pen! **AI bred to RBM Keystone H41 on April 5. We retain the right to one successful flush at the seller's expense and the buyer's convenience. Consigned by Harcourt Charolais.**

This one should be staying home, but for our first consignment to the Superstar Sale, we wanted to send our best. It's a rare opportunity to be able to buy an own daughter of Duty Free, especially one that is packing this much power and extra dimension. This will be one of the first opportunities to purchase a female bred to the homozygous polled RRMM Yellowstone 2J. Yellowstone is a son of the outcross DR Monsoon, who now walks the pastures of Springside Farms. **AI bred to RRMM Yellowstone 2J on March 28th. Due January 7th, vet check safe. 100K tested. Consigned by Seven Quarter Circle Charolais.**

MVY TINA 59T

Tina 1K is a phenotypically correct bred heifer. She sets up on a perfect set of feet and legs as do all the Fortress offspring and carries the Starstruck Style. Her dam is a very productive cow that has produced some top end replacements for us as well as one for the CasBar Charolais Herd. Her bull calves have always been highlights in our bull sales. **Exposed to EC Master Plan 549PLD from April 13 to August 2, observed bred on April 22. Preg checked safe. Consigned by McAvoy Charolais Farm.**

Kandace 41K is an attractive, sound made Carbon Copy female. Her dam is a very good Epic daughter that is one of the largest volumed, heaviest cows in our herd and always produces a top end calf. We have 3 maternal sisters to 41K working in our herd as well as one producing well for CK Stock Farms. Her mating to one of our newest herd sires Master Plan should be exciting! **Exposed to EC Master Plan 549PLD from April 13 to August 2, observed bred on May 1. We are firm believers that you have to sell your best females but I'm not sure there will be a dry eye in the house when 87F gets on the trailer. She is truly a spectacular cow! As a heifer calf she was a national class winner and sold that fall to Merit Cattle Co. That relationship has been nothing short of spectacular. She is a top-notch producer with 2 bull calves selling to well respected commercial herds and then last fall her Duty Free heifer calf commanded a hefty price tag going to Highway 21 in Hanna AB. A FRONT PASTURE cow who is ready to make her way into the donor pen in the near future. **AI bred to PCC Bourbon 118J on March 30. Consigned by Springside Cattle Co. and Merit Cattle Co.**

PCC BOURBON 118J

We probably won't part with many of these Bourbon daughters because we believe they have the markings of great cows. 63L's disposition is second to none and she is backed by 2 great cow families on both sides of her pedigree. If you want to start a new cow family, I highly recommend starting right here. **Consigned by Springside Cattle Co. and Merrit Cattle Co.**

Simply put, the BEST Trust daughter born at PCC to date! Her look, her Length, her Structural integrity all lead to her being a Donor in the making. Miss Prairie Cove 328L has been one of our most popular females of 2023 and was just named Reserve Champion female at Farmfair International in Edmonton. 2023 has presented many challenges for us but Miss Prairie Cove 328L stands for many great things that have happened in our program. The bottom side of her pedigree is stacked with the who's who of cows born and raised here at PCC 806F, 407B and Trust has proven himself as the breed leader my Father and I knew he would be when we bought him for \$123,000.00 out of this very Superstar Sale. When you study Miss Prairie Cove 328L she hits you with a bold rib cage, added length and exceptional hair and an elegant look. Miss Prairie Cove 328L is the Real Deal! Consigned by Prairie Cove Charolais.

Miss Prairie Cove 342L is sure to have many friends in Saskatoon, this February born beauty is bold sprung and captivating in her design, she grabs your attention everytime you walk in her pen. Her Donor dam is building on her already impressive resume this year as her flush to Trust has resulted in a Reserve Grand Champion female at Farmfair International already and a half dozen high quality herdbulls that will lead off our 2023 PCC Bull Sale February 22 at the Farm in Bashaw. We believe Miss Prairie Cove 342L can compete at the highest level, and as an added bonus she is as gentle and sweet as you could ever make a female and just look at her fabulous hair, making days in the show barn working on her a complete joy. **Consigned by Prairie Cove Charolais.**

A Past Alumni of this high profile Superstar sale, we purchased embryo's from the Elder family. We couldn't be happier with how it all worked out. Purchasing 5 embryo's and getting all 5 embryo's to stick, selling a pregnant recip in our female sale last year the Cay boys turned that female into a feature lot in the Agribition sale in Regina. We also have 2 powerhouse bull calves that will be extremely popular February 22 at the Bull sale at the farm in Bashaw. The Gem of the flush being Miss Prairie Cove 309L, she was impressive from an early age and just continued that all year long, being the heaviest heifer calf weaned at PCC in 2023. You will be in awe of her hip and top and her extreme amount of rib and body is overwhelming. The Elder's Dalyce Rayel 80C Donor female has made her own legacy in the Charolais breed making many high-quality and high selling offspring on the male and female side. A maternal sister to Miss Prairie Cove 309L was just named Grand Champion Female at the Lloydminster Stockade Round Up for the Lakeview Crew. The R.O.I on Miss Prairie Cove 309L will be massive as her pedigree is stacked with power and performance and she exhibits all the qualities needed to become a breed leader. **Consigned by Prairie Cove Charolais.**

Investment! Using money to produce income or make a profit. When we make bold investments 325L is the results we hope for. The Elegance on paper just puts the cherry on top and the beauty in this package comes complete. **Consigned by W2 Farms.**

TR MS BERKLY 4711B ET

A heifer that will grab your attention! One of the favourites at our place right from the start. Shayla is very complete. She has a tonne of belly and depth. Really square in her makeup, tidy through her chest and brisket, an awesome hind leg that reminds us of Berkly Ann's. Study her pedigree and it's a pretty cool one. The great Berkly Ann needs no introduction, neither does SVY trust. The impressive high seller that's progeny has done nothing but prove they are going to work. The way she moves and that extra shot of look we feel she has a future in the show ring. The udder quality in the pedigree as well as what we see in her makes us believe she will be a big time producer too. **Consigned by Cays Cattle.**

A heifer that is as functional as they come. She is super stout with lots of shape. Tanya has enough power and mass yet still has plenty of look. Her dam HTA Sonja is a past high seller that has turned into a very complete productive cow, with good feet and an awesome udder. The Sonja cow family is one of the most prominent cow families in the reputable HTA herd, Sonja's are raising high selling bulls and replacement females every year there and we are getting a glimpse with Sonja 9115G. We think this one will become a no miss cow with lots of upside. **Consigned by Cays Cattle.**

Here is an opportunity to purchase one of the first heifer calves out of the highly popular bull Ruger 8J! Ruger caused quite a storm when we had him out as a calf and sold in our sale for \$72,000 to Springside Cattle Co. As a yearling, he was crowned Reserve Champion Charolais bull at CWA. The dam of this female is big middled, elongated through her front end and was shown as a heifer calf herself. 34F is an excellent producer, raising many calves in the show and sale pen. 21L puts it all together with a neat neck, huge centre body, ultra sound in her joints while carrying shape. She was named Reserve Champion Charolais female at Olds Fall Classic at the beginning of October. Opportunities like this don't come very often and I hate to part with her. Don't miss out on this special female! Follow us on Facebook at Daines Cattle & O'Neill Livestock for updated pictures and videos. **Consigned by Daines Cattle.**

This one has mama cow written all over her. She's made right, bred to produce and her EPD's are really good too. She's long fronted, deep bodied, good from the ground up and effortless on the move. Her pedigree is packed full of predictability. Her dam has been a legitimate no miss cow and at age 11 weaned off another big calf this fall. We love how the 298Z progeny turn out and go on to produce; we could go on and on about that cow and her influence. We have a  $\frac{3}{4}$  sister to 60L in production (ONL 32J) and we are super excited about her! We are showing a really cool bull calf out of the 32J female this year and he was Reserve Champion Bull at Olds Fall Classic. Looking over to the sire of 60L, the Ransom bull has worked really well for us. We have a couple full sibs to 60L in the bull sale pen and if it weren't for a younger full sib heifer, 60L would not be for sale. Miss Trim 60L is right from the top of our pen and is a female that if we were to keep her, we are confident she would be at top of our program, here's the opportunity to have her go to work in yours! Follow us on Facebook at Daines Cattle & O'Neill Livestock for updated pictures and videos. **Consigned by O'Neill Livestock.**

Pam 31C is a fancy correct made heifer calf that is a maternal powerhouse in the making. She is sired by NGC Yellowstone 939G ET who is a Tank son out of the Prolific maternal donor cow MS New Standard 3517 who has been successfully flushed to numerous sires. 31Cs dam 15D is no slouch herself. She is a top end female in our herd going back to Ledger, Epic and Balistik all female makers themselves. Pam 15D has produced us some very good replacement females as well as herd bulls working in the herds of Charla Moore Charolais and Perrot-Martin Charolais. Pam 31L is one not to miss. **Consigned by McAvoy Charolais Farm.**

### 5 PACKAGES OF 5 UNITS

Game Day is a bull that has flown in under the radar in a sense. However, he has proven he has the qualities to play in the big leagues. He is making his mark where it counts - in the progeny, which is showing just what a great bull he is. The herds that have integrated his genetics have topped the last two bull sale seasons. The females sired by, or carrying his service, were at the front of last year's production sales. He is the ultimate package with amazing muscle patterning, perfect foot structure, and that hard to find length of spine. It doesn't stop there - equally important are the "bonus" characteristics - his unmatched docility, haircoat and the homozygous polled gene. Game Day has an outstanding genetic combination that will serve the purebred and commercial cattle industries for years to come. CAN and USA Qualified Semen. **Consigned by Legacy Charolais and Poplar Bluff Stock Farm.**

301 stems from a cow that has done nothing but impress us. This hard-working cow we purchased at the Alberta Select sale a few years back, and Haylee took her down the road in 4-H. She had twins as a heifer and raised both them. The two bull calves both made the bull sale last year as yearlings, and sold very well. 301L is sired by Legacy's Game Day Bull. We can't say enough about the Game Days. They stamp every calf with tremendous hair coat, eye appeal, disposition, and performance. We truly feel that this cross has produced a very powerful female. She is going to grow into an attractive made cow, with a beautiful udder. If any Juniors are looking for a show heifer she is exceptionally quiet and easy to handle! **Consigned by Desertland Cattle Company.**

365 is another Game Day daughter. We just can't say enough good things about this sire, doesn't matter what pen of ours you walk through the Game DAYS always stand out. On the Dam side, 365L Grandma we bought from Maple Leaf Charolais at Farm Fair a long time along. We have retained several females from her over the years, with a couple becoming "Dams of Distinction" in the Charolais breed. 365L is going to be a solid, easy keeping, heavy milking, perfect uttered female. With a Full French Grandma on the bottom and a Game Day on the top end, she going to be good one. Stop by and check her out! **Consigned by Desertland Cattle Company.**

**TERMS:**

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

**CERTIFICATE OF REGISTRATION:**

Each animal will carry papers issued by the Canadian Charolais Association, unless otherwise stated. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

**PEDIGREE ESTIMATES:**

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

**HEALTH:**

All animals in the sale have met all necessary health requirements.

**GUARANTEE:**

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the appropriate breed association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

**PREGNANCY INFORMATION:**

All serviceable age females have been pregnancy examined by an accredited veterinarian, giving an estimated length of gestation. This estimated gestation period shall be used only as a guideline to calving and is not a guarantee of actual service.

**LIABILITIES:**

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

**DELIVERY:**

Every assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

**PHONE, MAIL, WIRE BIDS:**

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

**INSURANCE:**

We strongly recommend that insurance is purchased for full value.

**ERRORS:**

All announcements at sale time, written or oral, supersede any written material in the catalogue.

**Return Undeliverable  
Canadian Addresses To:**
