

19TH ANNUAL **BULL SALE**

FRIDAY, FEBRUARY 23, 2024 AT THE FARM, INNISFAIL, AB SALE TIME 1:00 PM

WELCOME!

What a year it has been for us in the Charolais world. We started off the year

with our most successful bull sale. We then went on to be a host herd for the Alberta Charolais Association Summer Tour and took an active part in the Friends of Canadian Charolais Foundation hosted Breeders School in June. Rounded off the fall with a bit of showing, even managed a couple of class wins and then had a successful Female Sale. Of course, all this activity and success does not come without a great deal of support from family, friends, fellow breeders, and our commercial cattle producers. To you all, we are very humbled and grateful. Thank you.

On the farming end of things, we are heart broken to hear of drought caused disasters in our farming communities. We are inspired to hear the resilience of those same people to keep finding a way to continue on.

Our bull pen is as good as ever. There are bulls to suit a variety of needs, from high performance to the easy calving heifer bull. Not only do they come from an impressive set of sires, but their dams are also just as solid of performers. White, tan, or red... sorry no black this year. The wean weights show the poor pasture conditions from August on, they had no creep. Weaned beginning of September and went straight onto a barley silage based TRM ration for a 3 lb/day gain. They are doing a little better than that.

You all are invited to come by anytime to check out the bull pen. As they grow week by week they look better and better, so come more than once to enjoy the coffee and refreshments (we'll try to keep the Shed fridge full of treats) and some 'shop talk', even if you're not sure you need a new herd bull this year, we enjoy your company.

Again, thank you to all that supported (either personally or virtually) our program throughout this year by visiting, bidding, or buying. We hope to see you all at the bull sale, enjoy the lunch and refreshments and maybe purchase a bull.

FROM THE DESK AT T BAR...

Welcome to the 19th edition of the HEJ Charolais Bull Sale at the farm, Innisfail, Alberta on Friday 23, 2024. We are proud to say that we, at T Bar, have been with these great folks through the years and always look forward to assisting them in marketing a great breeding program. Each year on the last Friday in February, we see a lot of familiar repeat customers that attend, simply, because HEJ sire's work.

A powerful lineup will greet you for 2024. Ranch raised with no creep; you will love the performance in this group. Whether you are looking for bulls to increase your weaning weights or calving ease for those who hate getting up at night, the offering is diverse in phenotype and genotype. In the program, the folks at HEJ use walking bulls to achieve their goals. Precision is a power bull with outstanding yearling numbers while his counterpart Hard Core offers calving ease and high milk traits for those who keep replacements. The red and tan influence is stronger than ever with several bulls dark red. Although they have one of the largest, if not the largest red influence herds in the nation, Henrick will tell you "They breed for quality", not color.

Hidden in this powerful group of yearlings (bred for the rancher and cow-calf producer) are several herd bull prospects for fellow purebred breeders. Sound with tons of hair and testicle, you must see the offering to truly appreciate the quality in the 2024 sale group. This program in many ways is an out-cross herd for the industry.

Located just outside Innisfail on Highway 2, feel free to stop by the farm and preview the bulls any time prior to the sale. They will be more than happy to show you the mothers and sires... or give them a call to discuss the bulls and your breeding requirements for the upcoming breeding season.

Plan to be with us on February 23 in person, on the phone or online. Come early, be their guest for a complementary luncheon and refreshments. It will be worth your time of day at HEJ. Do not hesitate to give any of us at T Bar a call as we can assist you with your purchases in a professional and confidential manner.

They say lightning never strikes twice in the same place. This does not apply here. Lightning has hit the mark time after time with his calves. They are big hipped, long spined and have excellent numbers. The Ledger/Lanza cross has worked well in our herd, so the purchase of White Lightning in 2022 was a no brainer.

This calf has been at the top of the game from day 1. As a calf he possessed a big hip, long spine and deep body, traits he still carries with him today. Not only does he have eye appeal, look at those numbers, top 4% for birth and wean, top 3% for yearling. A calving ease, performance bull here.

A different pedigree for us to have but not unknown. Thread's sire has proven himself to be an outstanding bull since his win as Charolais Breeders pick of the bulls at FarmFair 2018. Thread himself, a quiet docile bull, has gone on to be a show winner. He has the desired performance with calving ease. He is used in the Stepler and Beck programs, two great industry leading programs.

Precision, aka T-Bone, is a JSR Estrada son we purchased from Charmaine in December 2020. JSR Estrada has gone on to prove himself a leader in a Feed Efficiency Program. T-Bone has strong performance EPD's that show in his calves yet maintains an above average calving ease. He has good big sturdy feet and legs. At our Female sale this December, HEJ Kover Girl 33K was the high selling bred, selling for \$16,500 and NINA Lilac Breeze 15L was the high selling heifer calf, selling for \$8000.

There was always that one kid in school who forgot it was picture day and showed up a little messy. Lock and Load is another eye catcher in the pen. He is long and very thick. He resembles his sire as a calf. He is a top gaining bull in the pen. His dam NINA 104B is the maternal grandma of lot 12.

Holey Smokes was a tank of a calf from birth until he left the farm after the 2021 bull sale. His disposition was next to none, a gentle giant. We drew semen and use him on females we know need his extra power but have proven to calve a little lighter weight. At our female sale this year his daughters were easy choices for their performance. We believe these two sons have shown the cross was the right choice.

The Holey Smoke progeny have frame and power. Luke's dam toned down the birthweight. And Smoke significantly brought up the performance. He is a squarely made bull with lots of muscling in the money triangle. He has a sound structure and smooth shoulder. And as you can see from the pictures, as docile as they can be. A very well-rounded bull that will fit into any program.

Smoke is tan and Firebug is as red as they come with no white. Limited Editions dam is a smaller frame but has undeniable style, correctness. Smoke added the frame and length. Edition has a wide quarter and topline. He will go on to sire top notch calves. If your program is looking for a herdsire to add extra colour, Limited Edition is a wise choice.

Hard Core, a.k.a. Fonzie, is a Paternal brother to Turnbull's Duty Free, a much sought-after bull for the excellent progeny he leaves behind. This fellow is living up to those same qualities. He is an easy calving bull, being successfully used on commercial red angus heifers. The growth and style he puts into his calves is just what we'd hoped for. His EPD's don't do his progeny justice. Check this group of bulls to use in your heifer pen.

I smile when I see 74X in the pedigree. An 8-frame cow for sure, lots of rib and volume. Lasso's sire and maternal sire have toned down the birthweight. Lasso still maintains that spring of rib of his maternal pedigree and Hard Core. Good feet and smooth shoulder.

If it were not for his scurs, you would be seeing 'Herdshire' next to this guy. Moves well, hair, soggy, loosely made, growthy individual. Great rib and heart girth, bringing his thickness well down into his stifle and quarter. He stands on his own merits but definitely has the sire and maternal pedigree to make him worthy of a good look.

Long, deep, and wide, just like his name would suggest. Nice fronted and clean sheathed. A great combination of pedigrees to bring you a bull you can bring home extra pounds with.

A little smaller frame but it is packed with punch. His EPD's do not do him justice. A calving ease bull that will shine on those bigger framed females. There is lots of length there. Lots of rib and heart girth. Well balanced bull with ample muscling. His Rushmore dam brings lots of maternal strength that double downs on 'Fonzy's' maternal strength. He is a great opportunity to have a tan, easy calving herdsire.

Learjet is taking off! The highest gainer from wean to yearling, he is coming into his own. As with the 'Fonzy's' he is built for calving ease. Good foot and quarter, he will sire some low maintenance, nice beefy calves.

¾ brother to lot 36. They are very similar in their make-up. Lumberjack is a longer bodied well balanced bull. Number 2 for weight at wean and number 1 for yearling weight. If you want to talk pounds per acre, this guy's your answer. He is just a nice light tan and will do just awesome with the dark red cows. You will bring home lots of pay-weight calves in the fall. He has a little larger frame than the average 'Fonzy.' There is a post behind his sheath, if you look closely, it is quite clean. Both the maternal and paternal sides are extremely quiet.

TERMS & CONDITIONS

Terms:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

Bidding:

Each animal will sell to the highest bidder... no by-bidding will be permitted. Disputes - Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

Announcements:

All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

Breeder's Guarantee:

Should any bull fourteen (14) months of age or over fail to prove a breeder after being used on females known to be breeders, the matter shall be reported in writing to the seller within six (6) months following the date of purchase or six (6) months after the bull has reached fourteen (14) months of age. The seller will have the right and privilege of six (6) months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

Exception Guarantee:

In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

Certificate of Registration:

Each animal will carry papers issued by the Canadian Charolais Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

Pedigree Estimates

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

Liabilities:

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

Rights and Obligations:

The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

Phone, Mail, Wire Bids:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

Delivery:

We will assist in arranging transportation wherever possible. Each animal becomes the risk of the purchaser as soon as sold.

Insurance:

Will be available sale day. We strongly recommend that insurance is purchased for full value.

Errors:

All announcements at sale time, written or oral, supersede any written material in the catalogue.
